

Bio Screen Solutions

The Desk Screen

A strong safety shield to protect employees and customers by ensuring contact is reduced and social distancing is enforced. The Rshield range is our solution to assist with maintaining a safe work environment, with the intention of preventing the spread of respiratory droplets between people. The Desk Screen is available in 3 sizes to fit all desk sizes and shapes.

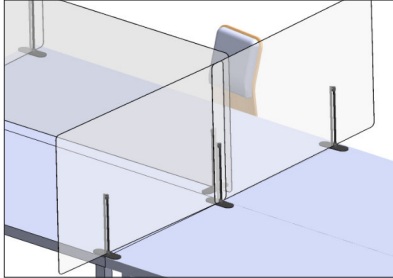

Product Features

There is no need for any bolts or screws. The screen simply sits on the top of your desk. Making it portable too.

The base allows you to adjust the position of the screen as required, and lock it into place.

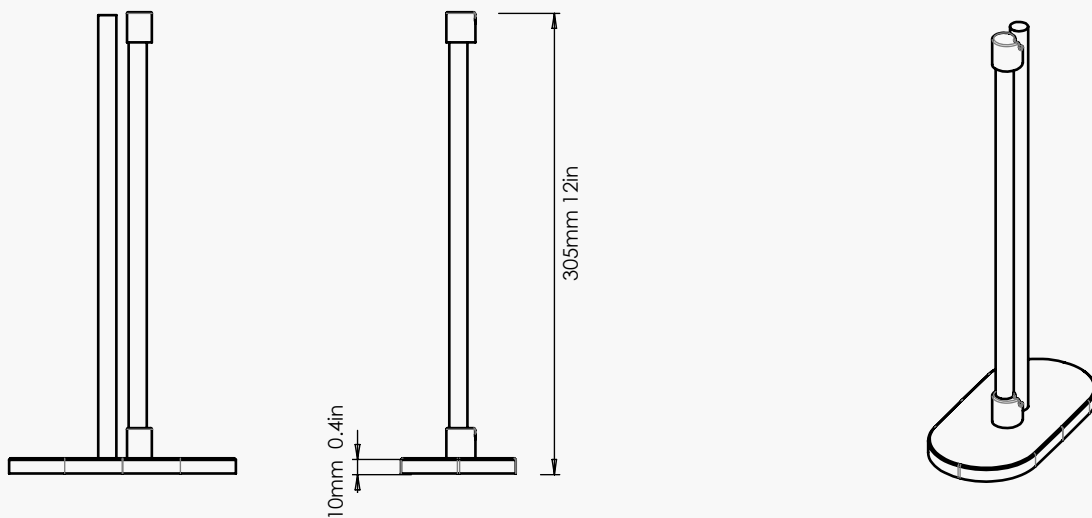

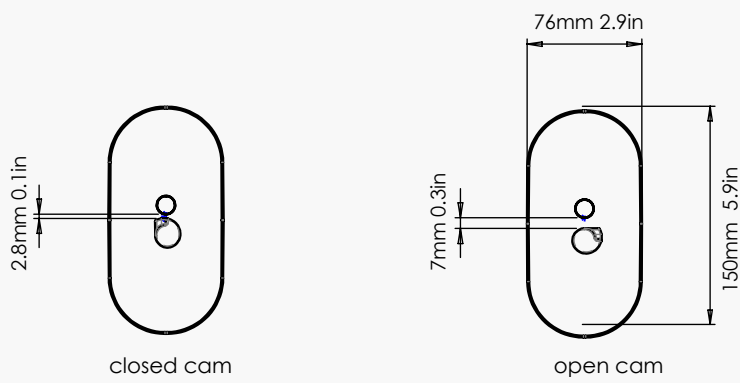

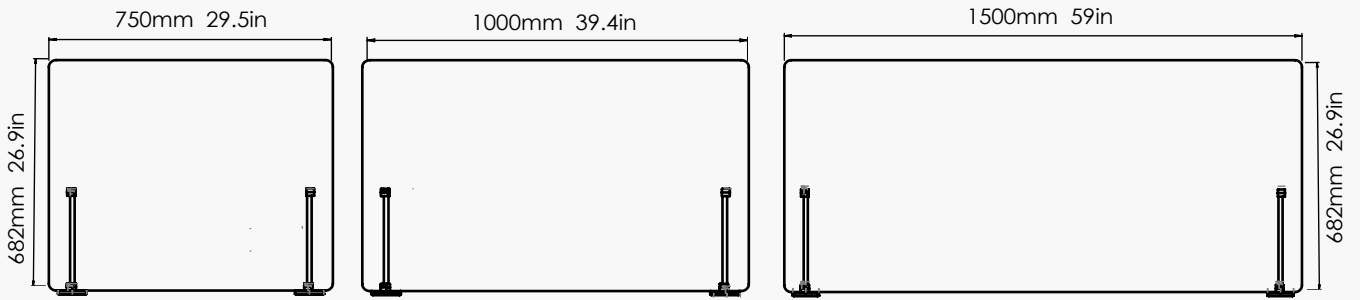

The 3mm Plastic can be overlapped to fit any work space and provide protection from the spread of airborne particles.

With facilities in London and Essex all of our Rshield products are designed and made in the UK.
